HISTORY OF THE DUROC-JERSEY SWINE

It seems to be well authenticated that the exact origin or early history of the Red Hog, now recorded as Duroc-Jerseys, is not positively known. Many are of the opinion that they are purely American bred, while we have gathered much information pointing toward stock that was imported at an early date, of which we will make mention later on in this work.

It is a fact now generally conceded by all who are interested in this popular breed of swine, that there were two families of them, some years ago, one known as Jersey Reds and the other as Durocs.

JERSEY REDS.

The name Jersey Reds was probably given to this family by Joseph B. Lyman, about thirty-eight years ago, who at that time resided in New Jersey, and was the Agricultural Editor of the New York Tribune. Previous to this period they had been called Red Hogs. Mr. Lippincott, of New Jersey, was the first person to advertise these hogs as Jersey Reds.

We find in Clark Petit's History of Jersey Reds, that in the year of 1832, there was a pair of Red Pigs shipped from Spain to Salem, New Jersey, and he says "that their unique color at once rendered them objects of special interest in a locality long noted for successful swine breeders and feeders, among whom had long existed a great spirit of rivalry, as to whom should annually win the honor of raising the best lot of hogs, making the greatest average weight at different ages, for which leading Philadelphia butchers paid advanced price." It was soon noticed that the offspring of the Reds universally proved to be quick, profitable feeders almost invariably outweighing those of other breeds at like ages. Much of the superiority undoubtedly arose from their pre-eminent constitutional vigor and consequent capacity to properly assimilate their food.

The hogs bred in New Jersey attained great size, as will appear from the following weights made at different ages:

30 hogs,	22 months old,	averaged	686	pounds, dressed.
18 hogs,	22 months old,	averaged	734	pounds, dressed.
23 hogs,	20 months old,	averaged	....639½	pounds, dressed.
34 hogs,	17 months old,	averaged	565	pounds, dressed.
51 hogs,	17 months old,	averaged	520	pounds, dressed.
17 hogs,	months old,	averaged	862	pounds, dressed.
20 hogs,	.....	averaged	862	pounds, dressed.
20 hogs,	.....	averaged	882	pounds, dressed.
25 pigs,	8 months old,	averaged	413	pounds, dressed.
16 pigs,	7 months old,	averaged	278	pounds, dressed.
20 pigs,	6½ months old,	averaged	280	pounds, dressed.

This list could be much extended, but we deem this sufficient to show an idea of the size the Jersey Reds attained and the feeding qualities they possessed.

Twenty-four years ago, old men in Burlington and adjoining counties, New Jersey, could not remember a time when there were not Red Pigs, neither could

they tell where they came from. Mr. Brown, of Windsor, N. J., said he had seen them bred with uniformity of great size fifty years ago.

DUROCS.

In giving the history of this family of Red Hogs, we have no better authority than is given in Vol. 1 of our records and which is substantially as follows:

The Duroc family of Red Hogs were so called by Isaac Frink, a prominent farmer living in the town of Milton, Saratoga County, N. Y. In the spring of 1832, Mr. Frink took a mare to the noted stallion, Duroc, then owned by Harry Kelsey, in the town of Florida, Montgomery County, N. Y., about 25 miles away. There he saw a litter of ten Red Pigs, the production of a pair of Red Pigs brought the year before by Mr. Kelsey, from Oyster Bay, Queens County, N. Y., or imported by him from England. He moved from Oyster Bay to Florida. In regard to the importation of the pigs, the history is not authentic, although Mr. Kelsey told Mr. Frink that they were imported, but the term imported may have been improperly used, as is often the case, even at this late date.

In searching history we find that the produce of these pigs was much sought after, and assumed the name after Mr. Kelsey's famous horse, "Duroc." They spread all through the New England States, and became very popular on account of their great qualities, which we shall hereafter discuss.

In 1830, Wm. Ensign, of Wilbur's Basin, in the town of Stillwater, Saratoga County, N. Y., brought a pair of Red Pigs from Connecticut and the next year he got a few more from the same place. He bred and sold them far and near. Saratoga County was a lively "pork district" in those days, and great interest was taken in the breeding of hogs. The Frink and Ensign families of Red Hogs were crossed and the breed established. They have been bred ever since, with more or less care and effort at keeping them thoroughbred, but no fixed type or standard was followed (except individual ones). These hogs, according to what information we can gather, possessed most of the characteristics of the Jersey Red family, except they were not so large and were rather finer boned, and no doubt were quite profitable feeders and producers of pork.

Ex-President Thos. Bennett, of Rossville, Ill., furnishes us with some reliable evidence, which comes through a correspondence with the Hon. Cassius M. Clay, of White Hall, Ky. The honorable gentleman says: "The Spanish Red Hogs were imported by Hon. James B. Clay, from Spain or Portugal, when minister to Lisbon, under Zachary Taylor in 1850. He gave me a pair of pigs the progeny of which I widely distributed, they being such very fine hogs, easily fattened, and the best hog known at that time. Being such noted hogs, it is no wonder they found their way to New York, New Jersey and all eastern and southeastern states."

It is not saying too much when we (the Red Hog breeders) say that they were the foundation stock of that most popular breed of swine, "Poland-Chinas." The Hon. L. N. Bonham, in one of his histories of said breed, in searching to find out how they came to be named "Poland-Chinas,' says that "there was an old Polander who had a herd of very fine hogs, said hogs were the produce from a China sow and a Jersey Red boar. So admired were they, and so noted did they become, that they were named after the breeder (Polander), and the sow (China), hence the name Poland-China. It is a fact that the Poland-Chinas, years ago, had red or sandy spots on them, and not very small ones either, and even at the present time some of the

best pedigreed Chinas breed sandy spots." Mr. Bennett says: "In the fall of 1889, I went to see one of the best herd of Poland-Chinas in Illinois, and there saw a boar good enough for anyone. He was bred in Ohio and bought at a big price. As I was looking him over, the proprietor said: 'There is only one fault with that hog.' 'What is that?' I asked, and in reply he said: 'Some of his pigs have sandy spots on them.' This is no doubt due to the fact that, after years of careful breeding, the old characteristics will continue to crop out."

The general appearance of Duroc-Jersey swine has been greatly improved of recent years, but in accomplishing this improvement we have not sacrificed any of the characteristics which made our breed so popular. We still think they are the most prolific of all breeds, which statement is substantiated by a report from one of the leading Experiment stations for 1912 when their 13 Duroc-Jersey sows farrowed 132 pigs and raised 101, their 12 Berkshire sows farrowed 103 pigs, raising 82, and 6 Poland-China sows farrowed 43 pigs and raised 29. We think it is safe to estimate that the Duroc-Jersey litters will average 10 pigs.

The pigs are strong at birth, and the sows and pigs very seldom need any attention at that time. They almost invariably impart to their offspring their wonderful prolific breeding qualities, are good quiet mothers, supplied with a generous flow of milk, raise large even litters, and other breeds when crossed with them are greatly improved in vigor as breeders and feeders.

Below we give some extracts from a test at the Experiment Station, of the Agricultural College at Michigan.

The breeds represented were the Duroc-Jersey, the Berkshire and the Poland-China, two of each and all barrows.

The pigs were weighed every fourteen days during the experiment and the gains or losses noted and compared with the food for the period, viz.: from July 16, 1889, to January 31, 1890—168 days.

It was seen that the two Duroc-Jerseys gained in weight from the beginning. Though as fleshy as any specimens, they were still making excellent gains and were feeding well at time of slaughter. Their average gain was 36.25 pounds per period, or 2.59 pounds per days, secured at a cost of 4.65 pounds of grain for each pound of gain in live weight.

The average gain made by the two Berkshires was 29.16 pounds per period, or 2.11 pounds per day secured at a cost of 5.22 pounds of feed for each pound of gain.

The average gain per period of the Poland-Chinas was 25.91 or 1.85 pounds per day, secured at cost of 5.87 pounds of feed for one pound of gain.

The meat of the different breeds was cooked and tested, and it was the unanimous opinion of those who ate of the meat that that from the pigs making the best gains at the time of slaughter was the most tender and juicy, the sweetest and best. This was the pork of the Duroc-Jersey.

In competition with other breeds in the show ring in a very large majority of cases, the Duroc has come off the winner. Notably at the Illinois State Fair, twice within the past three years a pair of Durocs has won the premium offered by a well-known wagon company, all breeds being in the contest.

At the nearest calculation 75 per cent of the hogs reaching the principal hog centers the "red-blood," that is, are Durocs or Duroc blood predominates.

More than 75 per cent of the public swine sales are of Durocs, which shows the spirit of enterprise that is backing up the breed.

No breed of swine has been brought to its present perfection, in so short a time as the Duroc, and no hog is as popular with the breeder, the feeder or the packer as is the Red Hog.

Do you want the kind that grows right and sells right? Then breed the Durocs.

MINUTES OF THE STOCKHOLDERS ANNUAL MEETING

of the

NATIONAL DUROC-JERSEY RECORD ASSOCIATION

Saddle and Sirloin Club, U. S. Yards, Chicago, Ill., December 3, 1913

President Ed A. Baxter, presiding, called the meeting to order and appointed on the Proxy Committee, C. F. Burke of Colorado, Wm. Reed of Iowa and W. A. Williams of Oklahoma. While the Proxy Committee were preparing their report, on motion by Mr. Marshall of Illinois, and seconded by L. E. Thomas of Illinois, the reading of the minutes of the previous meeting were dispensed with and approved as published in Volume 43 of the records of this Association.

Following is the report of the Proxy Committee:

The Proxy Committee submits the following report of the members entitled to vote at this meeting: Illinois 118, Kansas 106, Ohio 9, Oklahoma 51, Minnesota 42, South Dakota 43, North Dakota 6, Iowa 207, with one of these 207 instructed to vote for J. R. Pfander for Secretary and one for R. L. Comer for Secretary, otherwise they belong to the state; Nebraska 151, with one of the 151 instructed for J. R. Pfander for Secretary; Texas 67, Missouri 76, Wisconsin 30, Michigan 7, Louisiana 11, Idaho 12, Washington 16, Kentucky 6, Arkansas 11, Oregon 21, California 6, Wyoming 1, Maryland 2, Montana 51, Tennessee 2, Alabama 3, South Carolina 1, Mississippi 1, North Carolina 1, Georgia 1, Canada 2, New Mexico 1, Colorado 37, with one instructed for J. McGuire 17, of the 17, 2 votes instructed for R. L. Comer for Secretary, Charles Pfander 1, Wm. Reed 1, Ed Sheley 1, J. B. Ashby 12, J. W. Clatterbuck 1, W. M. Putman 1, Samuel Drybread 9. Total, 1,143.

Signed by C. F. Burke,
Wm. Reed,
W. A. Williams.

On motion by Mr. Marshall, seconded by Mr. Vaughn, the report was accepted.

Following is the President's address:

Brother stockholders of the National Duroc-Jersey Record Association:

Two years ago at their meeting the members of this Association elected me their President, and at that time I was very reluctant to assume the duties of the office, knowing that it required quite a good deal of work and taking time that I was fearful I could not give. In returning to you the office you so kindly gave me, permit me to say that I do it with a great deal of regret. It has been one of the pleasures of my life to serve you in the past two years as I have. I have had associated with me in that time in the handling of the affairs of the Association, officers and members of the Board who have worked in harmony at all times for the best interest of all concerned, and to know now that the present relations will be severed causes me to have a feeling of regret.

During the time I have served as your President, we have made splendid strides to the front. Our finances have materially increased, as will be shown by the report of the Treasurer. Permit me to call particular attention to their report. In my report to you one year ago, we told you that we thought we

would make a saving of from $3,000 to $5,000, and we have more than made good in this connection, thus, we think, fully bearing out the actions of the Board of Directors. Changes have been made in the handling of the work in the office. During this time the Board has passed rules requiring transfers to be recorded before the get or produce of the animal can be recorded. They have also required the recording of breeding certificates, all of which have been with my hearty approval. It is all in line with making our record better, a matter in which we are taking just pride, and it should be the intent of future officers and directors to keep on until we have the best record it is possible to make. Not that we do not have the best one now, but new matters are continually coming up, and we must keep abreast with the advance. Many breeders in both the east and west are looking forward to the next World's Fair, and the show to be held in connection with this fair. I am firmly of the opinion that this show will be one of great magnitude and one that should command a serious consideration of the incoming officers and the new Board of Directors. During the past two years we have given liberal premiums to the different fairs and stock shows. I believe that this is right and I recommend to the incoming Board a continuance of these special premiums, and if possible to increase the amount already offered. During the past year many perplexing questions have come before the Board for settlement, and I want to say to the members that they have all been given careful consideration by the Board and the conclusions that have been reached in each case were, in the opinion of the Board, for the best of all concerned. Many little matters, such as the seller of an animal failing to furnish the buyer with a pedigree of the animal sold, come before each meeting of the Board. I wish to say in this connection that a great deal of trouble can be averted if our members will just take a little of their time and do these things, it will reduce the amount of work in the office and take a lot of trouble off the Board. I believe that during the past two years heavier losses have been sustained by hog raisers by cholera than in any two years since hogs have been raised. The loss is very serious, but it has been borne by the hog men as only hog men can bear such a burden, knowing full well that they are engaged in a business that will soon replace the lose. A business, as I firmly believe, that will replace a loss more quickly than any other of our live stock. I am firmly of the opinion that the time will soon be here when these severe losses will not have to be sustained, thanks to the veterinary science. During the time I have been your President, there has been, in my opinion, the greatest advance made in the elimination of hog cholera that has ever been made in the same length of time. I refer to the serum treatment. I have thoroughly tried this treatment during the past two years and I want to give it my hearty endorsement, qualified only that we must have good serum. I have an idea in this matter which I want to express at this time, and that is, that I believe in order to get this treatment to the perfected stage, it should be the government's and state's or the government or states will have to make a sufficient amount of serum to furnish the hog owners with all they use, such serum to be tested before sending out. When this is done I believe that we will have reached the place so much desired in the treatment of this terrible disease.

During the time that I have been in office I have received numerous letters from our members taking us to task for not declaring a dividend and for piling up the funds of the Association. This matter has also been given careful consideration by your Board and I want to call particular attention of our members to the report of the Board of Directors given at this meeting in which they go fully into this matter. In conclusion, permit me to again say that I heartily thank you for being permitted to serve you as I have. Wishing each and every one of you unbounded success and happiness, I hope to always remain your friend and fellow breeder.

Ed. A. Baxter.

Following is the report of the Treasurer:

Peoria, Ill., Dec. 1, 1913.

To the Members of the National Duroc-Jersey Record Association:

Gentlemen: Permit me to make my report as your Treasurer for the year Dec. 1, 1912, to Nov. 30, 1913:

This balance is accounted for as follows:			
In Citizens' State Bank, Blair, Neb.		$ 1,254.88	
Check of the Secretary for November, 1913, business not now in the depository		2,090.52	
In farm loans		33,700.00	
Total			$37,045.40

Since the last meeting of our stockholders we have had paid a $6,000 farm loan. This money has been reinvested in first mortgage farm loans, together with $11,700 more of our funds, making a total purchase of farm loans for the year of $17,700, as follows:

Leroy E. Meyer of Brown county, Kansas, on the S. E. ¼ of Sec. 10, Twp. 3, Range 15. Two mortgages of $2,500 each, dated June 1, 1913, due June 1, 1920, bearing 6% interest.

Wm. J. Hanna of Jackson county, Kansas, on the W. ½ of the N. W. ¼ of Sec. 12, Twp. 9, Range 12, amount $2,500, dated Aug. 5, 1913, due Sept. 1, 1920, bearing 6% interest.

Elmer B. Johnson of Jackson county, Kansas, a tract of 80¾ acres in Sec. 7, Twp. 5, Range 15, amount $3,000, dated Nov. 25, 1913, for 5 years at 6%.

Frederick A. Beaman of Jackson county, Kan., N. ½ of the N. W. ¼ of Sec. 36, Twp. 5, Range 15, 80 acres, amount $3,000, dated Nov. 22, 1913, for 5 years at 6% interest.

John R. Bailey of Nemaha county, Kansas, E. ½ of the N. W. ¼ of Sec. 34, Twp. 4, Range 13, 80 acres, amount $3,000, date Nov. 1, 1913, for 5 years at 6% interest.

David M. Jones of Jefferson county, Kansas, S. W. ¼ of the S. W. ¼ of Sec. 27, Twp. 8, Range 17, 40 acres, amount $1,200, Oct. 27, 1913, 5 years at 6% interest.

At this date there is earned but not due, consequently not paid, interest on farm loans amounting to $554.50.

Respectfully submitted,

E. Z. Russell, Treasurer.

On motion by Mr. Carpenter, seconded by Mr. Klusmire, the report was accepted.

Following is the report of the Secretary:

Signed by J. R. Pfander, Secretary.

On motion by Mr. Comer, seconded by Mr. McFarland, the report was accepted.

Following is the report of the Executive Committee:

To the Stockholders of the National Duroc-Jersey Record Association:

Your Executive Committee submits to you the following report for the year beginning Dec. 1, 1912, and ending with Nov. 30, 1913:

We have examined the books and records of the Secretary and Treasurer and find they agree as follows:

The Secretary received from all sources $24,607.42, which amount has been turned over to the Treasurer, as shown by his statement.

During the year the Secretary has drawn warrants for all purposes to the amount of $17,689.22, and that warrants to the amount of $2,140.82 have been drawn and not as yet presented for payment.

We find that on Dec. 1, 1912, the Treasurer had on hand $27,129.90. This amount, plus the receipts as shown by the Secretary and interest on farm loans to the amount of $1,358 and interest on daily balances $119.56, making a total of $53,241.88, minus the warrants paid, $16,196.48, leaves us a balance with the Treasurer on Nov. 30, 1913, of $37,045.40.

This amount agrees with the books of the Treasurer, and includes the following items:

Deposited with the Citizens' State Bank, Blair, Neb	$ 1,254.88
Check of secretary for November, 1913, business	2,090.52
In farm loans	33,700.00
Earned but not due interest	554.50
Invoice of property in office at Peoria, Ill	2,642.25
Total	$40,242.15

From this amount, deducting the unpaid warrants, $2,140.82, and the estimated cost of printing 6,012 pedigrees in the Herd Book now filed in Vol. 45 of $841.58 and $280.26 for postages for mailing Vol. 44, also $375 unpaid premiums, leaves the net worth of our Association today $36,604.39. Our net worth last year as shown by the report submitted was $26,652.96, which shows a gain of $9,951.43 more than our last year's report. This year we sold capital stock to the amount of $4,600, leaving us $5,351.43 net profits, exclusive of sale of capital stock for the year.

Signed by C. F. Burke,
Wm. Reed,
J. Young Caldwell.

On motion by J. T. Thomas, seconded by Menaugh of Illinois, the report was accepted.

Following is the report of the Board of Directors:

To the Members of the National Duroc-Jersey Record Association:

Gentlemen: Your Board of Directors herewith transmit to you a report of their doings during the past year:

One of the first matters that came to our attention after the last annual meeting was the matter of special premiums for the various fairs and stock shows. It was decided by your Board that it would be advisable to offer the premiums we did and we are able to report that it has met with the hearty approval of the members as far as we know. For the first time we offered silver trophies at the different shows and we believe it was one of the best premiums that has been offered by us, and we would recommend to the incoming Board a continuance of these premiums and trophies.

During the past year we have received numerous letters from members of our Association asking the question, "Why do you not declare a dividend and pay us back some of our money instead of piling it up." We wish to say to these members and to others who are thinking the same thing, that we can't declare a dividend until the time comes when we have resources equal to our capital stock. The Board takes the position that it should use the funds to as much as possible promote the breed in the way of inducing men to raise more and better Durocs. To this end we are offering such premiums at the various fairs and stock shows as in our judgment is wise. We are firmly of the belief that these fairs and stock shows do more to promote the breeding of more and better hogs than does any other one thing and we feel like supporting them just as much as we can.

Your Board recommends to the various fairs and stock shows that judges be selected for these shows prior to the time the premium lists are made out, and that the names of the judges be printed in the premium list. We find that at these shows that some breeder is there who says, "Had I known that this man would be the judge, I would not have shown the pigs I have, but I would have brought different ones."

By the publication of the name of the judges these objections would be eliminated, and we are of the opinion that the show will be benefited by so doing.

We would recommend that the matter of advertising be given due consideration. The demand for more and better hogs was never greater and new men at all times starting in the breeding business, and it must be our business to try and get them to join our Association.

The office is continually receiving letters from different men making complaint about breeders who have sold them stock failing to furnish pedigrees, breeding dates, etc. This is something that takes a lot of the time of the Secretary and the office force. It always is to the detriment of the man against whom the complaint is made, and if he would just take a little time and do these things, he would take a lot of work from the Board and the office and would be very beneficial to himself.

It is the aim of the Board all the time to do everything possible to make our record better if possible than it is, and we must have the co-operation of the members to do this. Sometimes you may send in a pedigree that is returned to you for correction that in your opinion is nothing; at the same time an error is evident. You can assist us in our efforts to make the record all that it should be by kindly attending to the correction promptly and cheerfully. We believe that all our members want the best record possible, and it is up to them to make it such. Your Board makes the necessary rules, and if the members will just cheerfully abide by these rules, which in no case are hard to comply with, you will do your part in making the record what it should be.

We want to say to the members that we are at all times anxious to receive letters from you giving your ideas about matters pertaining to the Association. These letters will be given due consideration and many times are a help to us in managing your affairs.

We trust that the incoming Board will be given the hearty support of the members that has been given to your present Board.

Signed by C. F. Burke,
J. W. Clatterbuck,
Wm. Reed,
J. Young Caldwell,
W. A. Williams,
H. Smith.

On motion by Mr. Hockett, seconded by Mr. Putman, the report was accepted.

On motion of J. B. Ashby, seconded by Mr. Vanderhyde, that we elect officers of the Association in the following order:

President, first Vice-President, Second Vice-President, Treasurer and Secretary was carried.

Mr. Browning nominated J. Young Caldwell, O. G. Smith nominated Wm. M. Putman and J. B. Ashby nominated G. W. Hockett.

The result of the first ballot was Hockett 587, Putman 324, Caldwell 197. As neither candidate got a majority of the vote, so no election was declared. Second ballot resulted Hockett 476, Putman 204, Caldwell 225. As no candidate received the majority no election was declared. Mr. Browning asked to withdraw the name of J. Young Caldwell as candidate for President. The third ballot resulted Hockett 606, Putman 333, so the President declared G. W. Hockett elected President.

H. Smith nominated J. Young Caldwell for first Vice-President. J. B. Ashby nominated J. J. McLain for second Vice-President. On motion by Mr. Rafter, seconded by Mr. Thomas, that the candidate receiving the highest number of votes should be first Vice-President, and the other candidate second Vice-President, was carried.

The result of the ballot was McLain 709, Caldwell 434, so the President declared J. J. McLain elected first Vice-President and J. Young Caldwell second Vice-President.

C. F. Burke nominated E. Z. Russell for Treasurer. H. E. Browning nominated M. A. Kraschel for Treasurer. The result of the ballot was Russell 746, Kraschel 411, so the President declared E. Z. Russell elected Treasurer.

R. L. Comer nominated J. R. Pfander for Secretary, and as there were no other nominations, a motion was made to suspend the rule, and the President instructed to cast the entire ballot for J. R. Pfander for Secretary. The President complied with motion and declared J. R. Pfander elected Secretary.

On motion by Mr. Marshall, seconded by Mr. Rafter, that the rules be suspended and that we elect W. A. Williams and R. L. Comer for Directors for three years, and Geo. M. Klusmire for Director for one year, was carried by unanimous vote, and the Secretary instructed to cast the entire ballot for the above three names for Directors. The President declared W. A. Williams and R. L. Comer elected Directors for three years, and Geo. M. Klusmire Director for one year.

On motion by Mr. Rafter, seconded by Mr. Comer, the meeting adjourned.

Signed by Ed. A. Baxter, President,
J. R. Pfander, Secretary.

MINUTES OF MEETING OF BOARD OF DIRECTORS OF NATIONAL DUROC-JERSEY RECORD ASSOCIATION.

Peoria, Ill., Nov. 29, 1913.

Board of Directors of the National Duroc-Jersey Record Association was called to order by President Baxter.

Members answering to roll call were Wm. Reed, C. F. Burke, H. Smith, John Clatterbuck, W. A. Williams, J. Young Caldwell.

Wm. Harding appeared before the Board of Directors setting forth the facts regarding litter of pigs out of Fond Memory 63414a farrowed Mar. 5, 1913.

On motion by W. A. Williams, seconded by C. F. Burke, the following motion was carried by the unanimous vote of the Board: "That the President appoint a committee to confer with the officers of the American Duroc-Jersey Association regarding the litter out of Fond Memory 63414a farrowed Mar. 5, 1913."

The President appointed on this committee W. A. Williams, Wm. Reed, C. F. Burke.

On motion by C. F. Burke, seconded by Jno. Clatterbuck, the following motion was carried by the unanimous vote of the Board: "When the Secretary is satisfied that full premium is due D. W. Brown & Son, the same shall be paid."

On motion by Wm. Reed and seconded by J. Young Caldwell, the following motion was carried by the unanimous vote of the Board: "That we make a price of forty cents each for herd registers to the Stanfield Printing Co. f. o. b. Peoria."

On motion by W. A. Williams and seconded by Jno. Clatterbuck, the following motion was carried by the unanimous vote of the board: "That we consider a litter raised at weaning time."

On motion by J. Young Caldwell, seconded by W. A. Williams, the following motion was carried by the unanimous vote of the Board: "That we subscribe to the National Society of Record Associations as presented to us by this Society."

On motion by C. F. Burke and seconded by H. Smith the following motion was carried by the unanimous vote of the Board: "That G. J. Van Houkelum, Bovina, Colo., is barred from the use of this record until such time as he furnishes a pedigree eligible for record to the owners of the boar, Bovina Notcher."

On motion by Wm. Reed and seconded by C. F. Burke, the following motion was carried by the unanimous vote of the Board: "That the Secretary, in recording over to our records, pedigrees recorded in the American Association, where the recorded certificate of the American Association is filed for record, that the Secretary shall make a copy of the American recorded pedigree, marking same as copy of American recorded pedigree, and file such copy in our office as an original pedigree and return the American recorded pedigree to the party sending same to our office."

On motion by C. F. Burke, seconded by Wm. Reed, the following motion was lost: "That we require the signature of the party owning the boar at time of service on all pedigrees bearing a certificate of breeding."

On motion by C. F. Burke and seconded by Wm. Reed the following motion was carried by the unanimous vote of the Board: "That we adjourn to meet in our rooms in the Grand Pacific Hotel, Chicago, Ill., Dec. 1, 1913."

Chicago, Ill., Dec. 1, 1913.

The Board of Directors of the National Duroc-Jersey Record Association were called to order by President Baxter in Room 233, Grand Pacific Hotel. All members of the Board answered to roll call.

On motion by H. Smith and seconded by J. Young Caldwell the following motion was carried by the unanimous vote of the Board: "That we purchase, subject to the approval by inspection of the President and Treasurer, of the Rafter Farm Mortgage Co., the loan of John R. Bailey of $3,000, Frederick A. Beaman of $3,000, Elmer B. Johnson of $3,000, David M. Jones of $1,200, amount $10,200."

The committee appointed by the President to confer with the officers of the American Association reported that they were unable to get a conference with said officers, so on motion by W. A. Williams, seconded by H. Smith, the report was accepted and the committee discharged.

On motion by H. Smith, seconded by Jno. Clatterbuck, the following motion was carried: "That sufficient evidence has been presented to the Board in the case of the litter out of Fond Memory 63414a, farrowed Mar. 5, 1913, that under Section 12 of the by-laws an error has been discovered in the record of boar No. 145187 and sow No. 368420, and that the Secretary is instructed to cancel these pedigrees and refuse to record any other pedigrees for pigs of this litter."

On motion by Wm. Reed, and seconded by C. F. Burke, the following motion was lost: "That the ruling allowing eight days of variation before and after 112 days from date of breeding and date of farrow be annulled." Voting on the motion were: Yeas, Reed, Burke, Caldwell. Nays, Clatterbuck, Williams, Smith, Baxter.

The following resignation was then presented by Wm. Reed:

"To the Officers of the National Duroc-Jersey Record Association:

Gentlemen: After serving the National Duroc-Jersey Record Association to the best of my ability for the past two years, I find that I am unable to give it the time and attention at the proper time and ask you to accept my resignation at this time. Yours respectfully, Wm. Reed."

On motion by W. A. Williams, seconded by J. Young Caldwell, the resignation was accepted.

No further business appearing before the Board, they adjourned.

Signed by Ed. A. Baxter, President,
J. R. Pfander, Secretary.

MEETING OF THE BOARD OF DIRECTORS OF THE NATIONAL DUROC JERSEY RECORD ASSOCIATION.

Room 233, Grand Pacific Hotel, Chicago, Ill., Dec. 4, 1913.

Meeting called to order by President G. W. Hockett.

Members answering to roll call were C. F. Burke, H. Smith, Jno. Clatterbuck, W. A. Williams, R. L. Comer, Geo. M. Klusmire.

On motion by C. F. Burke, seconded by Geo. M. Klusmire, the following motion was passed: "That we table the proposition of maintaining a view herd at the Panama-Pacific Exposition."

On motion by Geo. M. Klusmire, seconded by W. A. Williams, the following motion was made: "That we appropriate $1,500 for premiums for the Panama-Pacific Exposition."

R. L. Comer offered as an amendment that the amount be increased to $2,000. The amendment was lost. The former motion was then put to vote and carried.

On motion by Jno. Clatterbuck, seconded by C. F. Burke, the following motion was carried: "That we offer $125 for the Kansas City Royal in 1914 and a like amount for the National Western Stock Show at Denver, Colo., in 1915."

On motion by Geo. M. Klusmire, seconded by H. Smith, the following motion was carried: "That we offer the same premiums for breeding classes and barrows as last year and under the same regulations at any state fair accepting our proposition in the United States."

The secretary was instructed to open bids for supplies, and after considering the bids the following motion was made:

On motion by H. Smith, seconded by Klusmire the following motion was carried: "That the bids of J. W. Franks & Sons, being the lowest, be accepted."

On motion by Klusmire, seconded by Williams, the following motion was carried: "That twelve days be allowed before or after 112 days from date of breeding and date of farrow of a litter."

On motion by Klusmire, seconded by Clatterbuck, the following motion was carried: "That the salary and bonds of the Secretary and Treasurer be the same for the ensuing year as for the past year."

On motion by Burke, seconded by Williams, the following motion was carried: "That the Secretary be allowed not to exceed $2,000 for clerk hire from Dec. 1, 1913, to June 1, 1914."

Moved by Klusmire, seconded by Williams, that informal ballot be taken for members of Executive Committee. Ballot resulted as follows: Smith 2, Williams 6, Clatterbuck 5, Comer 2, Burke 3. Formal ballot resulted as follows: Smith 4, Williams 4, Clatterbuck 5, Comer 2, Burke 3.

On motion by Comer, seconded by Klusmire, that the three receiving the highest number of ballots be declared elected and the one receiving the highest number of ballots be declared elected Chairman. The result of the ballot declared W. A. Williams elected Chairman and Clatterbuck and Burke members of the committee.

No further business appearing before the Board, they adjourned.

Signed by G. W. Hockett, President,
J. R. Pfander, Secretary.
